Glenn T. Stanton, *The Ring Makes all the Difference*

This is an excellent resource on why living together before marriage is one of the worst things a couple can do to prepare for marriage. It is full of recent research on the topic of cohabitation and can help a person understand why they should not cohabit.

Timothy Keller, *The Meaning of Marriage*

This is the best book on marriage I have read. It lays an excellent, biblical foundation for marriage, and deals with other issues from a solid, biblical framework. Keller is pastor of Redeemer Presbyterian church in NY City.
