REPAIR; REORGANIZE (one time projects)

1. Insulate hot water pipes connected to boiler systems
2. Replace exit door to playground.
3. Relocate empty metal cabinet in basement hallway at D-House to hallway outside of room 104 at the church. TLC supplies in wooden cabinet need to be stored in it and wooden one relocated
4. Replace hardware and re-hang wooden sliding closet door in large room downstairs at the D-House. Also anchor guide of some kind on floor so when doors are hit they don't hit the water pipes and the phone system computers
5. Floor repair – Fellowship Hall
6. Ant control at 3, 29 and 33 Lund Rd.
7. Dangerous dips and holes in sidewalk to D-House
8. Level floor inside under rug at Lund Road entry
9. D-House Windows- Basement, entry & 2nd floor
10. Several windows in TLC childcare area are not latching securely so building could be easily entered.
11. Burnt outlet in closet on wall between closet and rm. 206
12. Handicap ramp needs repair – cracked and end piece missing
13. Repair hole in wall in downstairs girls bathroom caused by repair work
14. TV mount needed on cement wall in rm. 121.
15. Relocate thermostat in room 206 to the hallway
16. Parking Lot holes
17. Lund road cement steps are pitted and pose a tripping hazard
18. Shed at 29 Lund road is safety hazard and ugly!
19. Remove large dead bush on Lund Rd side of building, maybe re-landscape area as current bushes are way too big and pose a security risk for TLC staff and others because people can hide behind them. They also block the windows reducing ventilation to an area that has no air conditioning.
20. Split doors in room 103 don't work right. Hardware needs to be shimmed or re-adjusted.
21. *Boy's Bathroom décor (upstairs).*
22. *Stained ceiling tiles in various rooms*
23. *Half door in room 104 has wood peeling off*
24. *Repaint Kitchen cupboards & shelves*
25. *Remove broken picnic tables and other junk outside of D-House. (dump run)*

43. *Lawn maintenance at 29 Lund Road*
44. *Remove dead trees and brush to decrease termite risk along path between church and D-House.*
45. *Attach doorbell to Lund Rd with something other than tape*
46. *Wood panel at sprinkler pipe entrance to building needs painting*
47. *Metal stall in boy's room down stairs needs work. Splatters of water from flushing have deteriorated finish and metal causing it to be an eye sore.*
48. *Floor tile in area outside of fellowship Hall deteriorating and some pieces missing*
49. *Paint sprinkler pipes in children's area*
50. *Landscape flower bed along front of D-House*

Items in Italics are not necessary, but would make the property look better.
